West African Genetic Medicine Centre (WAGMC) an African Centre of Excellence for Genetic Medicine, College of Health Sciences, University of Ghana (UG) is offering fellowships for graduate students to conduct research in Genetic Counselling, Medical Molecular Genetics and Human Genetics, in collaboration with the School of Biomedical and Allied Health Sciences, University of Ghana School of Medicine, and the Departments of Psychology, and Biochemistry, Cell and Molecular Biology.

National (Ghana) and Regional (rest of Africa) students are eligible for the WAGMC Fellowship; female students are especially encouraged to apply. Candidates must be new first year students admitted in the 2021/2022 academic year in one of the underlisted affiliated programmes.

**ONE-STEP APPLICATION PROCESS**

Log in to myWAGMC platform using UG Student ID and Pin
Complete application and submit

---

**GENETIC COUNSELLING**
- PhD Psychology
- MPhil Clinical Psychology
- MPhil Counselling Psychology
- MPhil Psychology

**MEDICAL MOLECULAR GENETICS**
- PhD/ MSc Dietetics
- PhD/MPhil Medical Microbiology
- MPhil Anatomy
- MPhil Chemical Pathology
- MPhil Haematology
- MPhil Medical Biochemistry
- MPhil Pathology/Immunology
- MPhil Physiology
- MSc Medical Laboratory Sciences
- MSc Speech and Language Therapy

**HUMAN GENETICS**
- PhD Biochemistry
- MPhil Biochemistry
- MPhil Molecular Biology
